***The Kalona Historical Society promotes the history and culture of our area by educating the public on the value of preservation and interpretation.***

The Kalona Historical Society Museum and Village has grown from the saving of the Depot in 1969 to a facility featuring 12 historical buildings, a collection of over 1200 quilts and a modern visitor's center to house those quilts, displays and artifacts relevant to the history of Kalona. New to the Village family is our restored historic railcar and our 100+ year old barn, coming in 2027 we will have the Washington County Military Museum included on our property!

The museum draws over 10,000 visitors a year from all 50 states and 50 countries and is one of the leading tourist attractions in Eastern Iowa. We are very proud of this but at the same time we are always looking for ways to serve and to be relevant to the Kalona area and its citizens. We are building our school group program every year. This program helps local and non-local social studies programs focus on history through our exhibits meeting their core curriculum, and we host many home school groups. The museum hosts several community events every year including

Fall Festival, Easter egg hunt, pulled pork dinner, and much more. We are very grateful to all the local businesses that help sponsor these events through the years. Our Business Membership program gives businesses the opportunity to continue supporting these events and also receive other benefits for their business and employees.

Please review the membership levels and benefits of each and consider becoming a business member at the level that best suits you. Events that you sponsor will help purchase supplies for the event and your business will be recognized at each. If you have any questions, please call the Village 319-656-3232 or e-mail us [kalonatours@gmail.com](mailto:kalonatours@gmail.com). Thank you for your time and consideration!
